Jan Bhagidari Events

As per the 4th meeting of education working group with the theme ‘Vasudhaiv Kutumbakam’ under G20 presidency, various types of activities were organized in Jan Bhagidari Events by Faculty of Science in collaboration with Faculty of Arts & Social Sciences, Swami Vivekanand Subharti University, Meerut. Three different types of events were planned in online mode under the direction of Prof. (Dr.) Renu Mavi, Offg. Dean, FOS and Prof. (Dr.) Sudhir Tyagi, Dean, FASS which were Skill Quiz, Story Making and Essay Writing Competition.

The events were conducted to raise awareness and imbibe the spirit of participation and ownership with India’s G20 presidency. All the three activities were conducted on 22nd June 2023 from 09:00 AM to 03:00 PM. The themes for the competition were Digital skills, New age entrepreneurship, Blended learning and Tech-based learning.

A total of 158 candidates were participated in the event. The participation was from various colleges i.e. Medical, Engineering, Management, Hotel Management, Physiotherapy, Science, Law, Arts & Social Sciences and Polytechnic. The first position in Skill Quiz Competition was secured by Chavi Sharma, ANM, 1st year, Nursing College and the second position by Khushi Chaudhary, B.Sc. (H) Chemistry, 2nd year, Science College while the third position was gone to Deeplata, BHMCT, 2nd year, Hotel Management. In Essay writing, the first position was secured by Palak Tyagi, BALLB, 1st year, Law College and the second position by Mayank Sharma, BCA 1st year, Science College while the third position was gone to Nitika Singh from Diploma, Polytechnic. In Story Making competition, Dr. Dolly Vaish from Management College got the first position and while the second position grabbed by Surbhi Tyagi from Biochemistry, Subharti Medical College.

The students participated in various competition events learned as well as represented their thoughts on digital skills, new age entrepreneurship, blended learning and tech-based learning. The students expressed interest in organizing similar knowledge-enhancing events in future too. The competition events were coordinated jointly by Dr. Rafat Khanum, Associate Professor, Department of Languages, Faculty of Arts and Social Sciences and Dr. Devendra Kumar, Assistant Professor, Department of Biotechnology, Faculty of Science. On the successful conduct and gradual completion of the program, Hon’ble Vice Chancellor, Hon’ble Chief Executive Officer and Registrar gave their blessings and best wishes.
